

Dear ARS Parents,

As you probably expect, Open House will look different this year. It will be "virtual."

Your child's homeroom teacher will contact you on August 3 via email or phone to welcome your child to his/her classroom.

For Open House, you will be provided with two virtual opportunities on Monday, August 10 (one in the morning and one in the evening to be flexible for your work schedule) and an optional follow-up Q/A session on Tuesday, August 11. Your child's homeroom teacher will share the links for these sessions.

During these sessions, the homeroom teacher will meet with you virtually on Google Meet to cover the following:

Agenda:

- A. Introductions
- B. Go over procedures
- C. Orientation Info
- D. Training on how to access Remote Learning Resources
