"A Downtown Community School"

Mountain Trail Outdoor School Scholarship Form

One of the goals of American Renaissance School is to educate the whole child. One of the ways we work to accomplish this goal is through experiential field trips that allow students to travel and learn outside of the traditional classroom. We understand that sometimes a student is unable to participate due to financial burdens. We want to allow students who desire to participate in field trips equal opportunities to do so. If you would like to request financial assistance for some of the cost for the 6th grade Mountain Trail Outdoor School field trip, please fill out the information below.
