

## **Morgan Franklin Fellowship Educational Program 2018 Student Application**

The Morgan Franklin Fellowship Foundation, Inc. is a unique student educational program designed to give participants the opportunity to learn financial literacy. Each Student will be paired with Mentors for added guidance. Students wishing to apply to the investment program for year two must complete three on-line self-paced educational courses by Nov. 30, 2018.

1. Introduction to Financial Literacy
2. Long-term Management of Personal Finances
3. Business Finances and Community Service

The Student, Parent and Mentors acknowledge by signing below that they have fully read and completely understand:

1. Online attendance will be recorded and all online educational tasks and activities must be completed including knowledge checks, surveys and reflection papers.
2. Participation and interaction with both a Personal Mentor and a Financial Mentor are required.
3. Applying to participate in the investment program (the following year) is voluntary and occurs upon the satisfactory completion of the educational program.
4. Not all students who complete the educational program will be accepted into the investment program. A review of the Student performance and participation in the MFF educational program will determine which applicants will be accepted into the MFF investment program.
5. The participant must remain a Student in good standing.

Students wishing to apply to the Morgan Franklin Fellowship educational program need to fill out sections 1-3. A Financial Mentor will be assigned to you once you have been accepted into the program.
